1 about me

Hello! My name is Jadon. I'm an undergraduate engineering student at the University of Cambridge. This website is for documenting stuff I've made, and writing about whatever topic interests me.

2 updates

11/12/24: statpack.jadonm.com now hosts my A-Level CS project. It's a statistics calculator/spreadsheet web app.

3 contact and links

Email: my initials, followed by the digits two-six-seven-five, at cam.ac.uk

LinkedIn: [linkedin.com/in/jadonmensah/](https://www.linkedin.com/in/jadonmensah/)

X/Twitter: Jadon Mensah (@kekuleanknot)

4 postscript

The source files for this website are available on my GitHub.
